

KIATTIPHAN WAREERAK

FULL STACK DEVELOPER

Email: waree.kiattiphan@gmail.com | Tel: 064-197-2727 | [Website](#)

SUMMARY

A Full Stack Developer with experience in web application development, IoT, and system development. Able to take a web application from idea to production using a microservice architecture. Experienced in delivering real-world projects including an inventory management system and a hotel booking system. Hold a Cybersecurity certificate from ITS and proficient in English. A fast learner with strong analytical, communication, and problem-solving skills. Passionate about security and excited to contribute to a team and grow into an expert.

WORK EXPERIENCE

Head Instructor | SmartBrain Viewmall | Vientiane, Laos Dec 2025 - Jun 2026

- Taught Smartbrain (mental arithmetic) and Roblox game Development Course
 - Created lesson plans and course materials for effective learning experiences
 - Communicated with parents on student progress and supported marketing efforts to grow enrollment
-

Site Supervisor Trainee | Samart Solar Center | Ayutthaya Jun 2025 - Jul 2025

- Coordinated installation teams through Foremen
 - Monitored daily work progress and reported to Engineer
 - Assisted in work plan design and scheduling
 - Managed material supply and on-site transportation logistics
-

Full Stack Developer | Freelance | Roi Et. Dec 2024 - May 2025

- Built an inventory management web application that enabled shop owners to monitor and control stock in real time, reducing transportation delays
 - Built a microservice-based hotel booking system with multi-layered availability checks, eliminating double bookings and ensuring reservation integrity across concurrent requests
-

EDUCATION

Bachelor of Engineering - Computer Engineering | KhonKaen University, KhonKaen

Graduated November 2024

SKILLS

Programming Languages

- Python
- JavaScript
- Java
- TypeScript

Frontend

- HTML/CSS
- Vue.js
- React

Backend

- Node.js
- Golang
- Express.js
- Flask

DevOps

- Git
- Microservices Architecture
- Docker

Tools

- Wireshark
- Postman
- Grafana
- Claude

Languages

- Thai - Native
- English - Proficient (TOEIC score 835)
- Lao - Intermediate
- Chinese - Basic

Soft Skills

- Adaptability
 - Self-awareness
 - Communication
 - Growth Mindset
-

CERTIFICATIONS

- IT Specialist (ITS) - Cybersecurity
Certiport | 2025
- Security Engineer
DEPA (Digital Economy Promotion Agency) | 2025
